

# UNGC Communication on Progress

Johnson & Johnson has been a member of the United Nations Global Compact (UNGC) since 2013. We remain committed to aligning our business practices to the 10 UNGC principles in the areas of human rights, labor, environment and anti-corruption. This Report serves as our annual UNGC Communication on Progress. The table below shows the location of our disclosures against the UNGC principles, with cross-references to GRI Standards disclosures.
